Description: GCF-Vancouver started with a small group meeting at Richmond sometime in March, 2008. By the 4th quarter of 2008 we were challenged by Pastor Narry Santos and Pastor Luis Pantoja to start a church in Vancouver. God is amazing in that He arrange for different people to come together to help bring the first preview service in January 18, 2009 to fulfilment. After our successful preview service, we are now having a bi-monthly service and will be having our weekly service starting on January, 2010.

Vision/Mission: GCF is one church reaching influencers through satellites in strategic areas worldwide. For the Glory of God, we commit ourselves to Evangelize and Enlist people into our fellowship, to Edify and Equip them for spiritual maturity and service, and to Exalt God together in worship. GCF-Vancouver, which is part of GCF-Canada, shall be Missional, Metropolitan and Multicultural in its strategies and ministries.

Ministry focus: Bringing people together through small groups. Helping people in the Renfrew community through different seminars.
