Address: Mailing - Box 1312, Prince George, BC V2L 4V3 Location - 1919 – 17th Avenue

Phone: 250.562.4553

Email:

Start Date: November 2009

Description:

Partner(s): First Baptist Church – Prince George

History: Riverside Community Church (RCC) is a re-plant of an original congregation of the Evangelical Missionary Church of Canada. Prince George is a vigorous city of 80,000 people in the heart of British Columbia at the convergence of two rivers and two major transportation routes. As a center for industry, arts, commerce, education, health care and government it serves a large region – as well it has become home to the displaced, addicted, abused and abandoned of the interior of BC. RCC was planted in order to reach people with the Gospel in one of the more needy areas of the city. Despite various set-backs, RCC is making progress in ministry to families through the children of the region. The church which meets in a spacious and attractive rented facility next to this area, consists of a small number of devoted adults and young people who are passionate about wanting the church to flourish in a ministry to people in this area and to others throughout the city who are looking for a spiritual home and opportunities to serve Jesus Christ. We are very excited to have Pastor Dennis Webster join us as our Pastor and are looking forward with great anticipation to where God wants us to go.

Vision/Mission: We are in a re-visioning phase with our new pastor, First Baptist Church and the CBWC.

Ministry Focus(s): Children and families at risk.

Worship Times: Sunday, 10:30 am and Wednesday Night Prayer 5:30 pm

Current size: 30 people as of February 2010

Prayer & Practical Needs:

- a God directed focus and emphasis
- significant health issues facing some of our members
- at risk children and families in our community
