

LEADERSHIP DEVELOPMENT SPONSORSHIP

Give Young Leaders an Edge

Sponsor a student in the CBWC Edge
program at Rocky Mountain College

Canadian Baptists
OF WESTERN CANADA 

SPONSOR A BIBLE SCHOOL STUDENT WHO WANTS TO MAKE A LEADERSHIP DIFFERENCE IN OUR LOCAL CHURCHES.

Through a partnership with Rocky Mountain College in Calgary Alberta, the Canadian Baptists of Western Canada are providing youth with undergraduate ministry training. It's called the Edge. Students now have the opportunity to get biblical training and build life long relationships as they take the first steps of their post high school education.

Rocky Mountain College has strong credentials as a Christian college. Now with a Canadian Baptist Dean of Students, 3 CBWC lecturers and a special program stream, Rocky Mountain College offers students the Edge program so they can train and work towards ministries specifically in the CBWC.

But these students need help.

To spend a year at Bible school is costly and slows the students' training for their career. That's why we want to help. We need to make it easier for students to invest a year between high school and college or university to train for ministry in the local church. Some may also decide to enter a career path toward ministry.

Enter the Edge scholarships.

With the help of sponsors like you, we can offer \$3000 dollar scholarships for the Edge program to worthy candidates. After the program, the student agrees to spend 3 years working in a CBWC congregation or can choose to repay the scholarship so we can pass it on to another student. Our churches get help and our young people receive training: a great investment.

Each scholarship unit is a \$50 dollar commitment for 12 months. 5 units make a full scholarship. If you can donate one unit: wonderful. We'll join your unit to 5 others to make a full scholarship. Or, donate 5 units for the year and sponsor a full scholarship yourself.

Make your donation through your local Canadian Baptist Church and designate it to: Leadership Development Sponsorships: Edge Program.
